Plan Benefits

Under this benefit, the total premium paid along with underwriting extra premiums paid and loadings for modal premiums shall be payable to the policyholder, if policyholder exercises SEV feature anytime during the period of one year once they attain age of 55 years (as on last birthday).

The payout will happen at the policy anniversary immediately following the request to exercise this feature.

Additional Flexibilities

Can I surrender my Policy?

We advise you to continue your Policy for the complete tenure to enjoy the total benefits of this plan. However, no surrender value is payable under this Policy.

What if I am not happy with the plan after buying it (Free Look Period)?

If you are not satisfied with any of the Terms and Conditions of the Policy, you may request to the company for cancellation of the policy within 30 days from the date of receipt of the Policy document via physical and/or e-mail, whichever is earlier.

On cancellation of the Policy within the above mentioned free look period, we will return the total instalment premiums received including any extra premiums and taxes.

The Policy will terminate on payment of this amount and all rights, benefits and interests under this Policy will stand extinguished.

What if I missed my premium due date (Grace Period)?

You have a grace period of 15 days for Policies under monthly frequency and 30 days as grace period for Policies under Yearly / Half-yearly frequency from the premium due date to pay the premium.

In case of death during the grace period, the Benefit payable will be reduced by an amount equal to the outstanding instalment premium (including applicable taxes & other levies, if any) as on date of death as applicable.

Outstanding instalment premium in the above case is the due instalment premium(s) that were due but unpaid before the death of the Life Assured.

What happens if I stop paying the due premiums?

If you stop paying premiums any time during the Premium Payment Term of the Policy, the Policy will lapse at the end of the Grace Period and the cover will cease to exist. We will not pay any benefits for such a Policy.

How do I Revive my lapsed Policy?

If the policy has lapsed, it may be revived subject to the IRDAI (Non-Linked Insurance Product) Regulations, 2019 as amended from time to time.

The Policyholder may revive the policy within five consecutive years from the due date of the first unpaid premium and before the expiry of the policy term. The revival will be subject to the 'Board approved underwriting policy of the Company' and payment of all outstanding premiums (including taxes and levies) with applicable interest, if any, thereon. The interest rate will not exceed the yield to maturity on 10 year G-Sec + 200 bps rounded to nearest 50 bps. G-Sec rates will be taken from www.fimmda.org. The interest rate will be revised at the beginning of each Financial Year. Any change in this basis will be subject to approval from IRDAI, if applicable.

The interest rate for FY 2022-23 is 9.00% p.a.

Upon revival, the policyholder would receive all due benefits accrued (as applicable, if any) but not paid-out. In case of no revival request received from the policyholder during the Revival Period the policy will terminate.
